

The 2022 GALA Photo Calendar Needs You!

The 2022 GALA photo calendar needs some “cool” pix of your camelids at work, at play, and just being adorable, magical creatures.

Stay
Cool.

Remember the calendar needs seasonal photos.

Beautiful faces are good, as are pix of cria with mom and playing in fields, interacting with people young and older!

Remember the GALA calendar is a great holiday gift for those who help on the farm, family members, friends, and neighbors!
